Are you looking for a "unique" gift? Well, [Samba Days](#) might be the answer!! [Samba Days](#) is all about giving a unique "Gift Experience". In fact there are over 70 different experiences to choose from. There's *Body and Soul* experiences, *Golf* experiences, *Adventure* Experiences and more.

impressed with the property, the accommodations and the food!!

My dinner consisted of a beautiful 4 course dinner – Spinach Salad, Walnuts, Blue Cheese and Pancetta with a Roasted Pear Vinaigrette, an amuse bouche, Grilled Beef Striploin with Dark Ale and Madagascar Peppercorns with Roasted Fingerlings Potatoes and a warm apple tart for dessert! Could not complain.

My breakfast was equally as delicious. It was difficult to choose from the menu as there were so many delicious sounding options!

Seriously...if you are looking for a unique gift....please consider [Samba Days!](#)
